To

K. V. Anantaraman, Esq., B.A.,
Ag. Secretary to the Govt. of Mysore,
Revenue Department, Bangalore.

SIR,

With reference to Government Order No.49-63-D, dated 26th instant, I have the honour to state that in connection with the purchase of paddy straw I have planned to make use of the public spiri of our leading landlords of the channel tracts to procure for us large quantities of paddy straw. In this way I hopeto get the straw in maximum quantity at the minimum rate. I have already received promises from four of our leading landholders for a total of 2500 cartloads of straw. In addition Agricultural Inspectors have been withdrawn from their regular duties and are being sent out to work through many other of our co-operators. It now seems certain that we shall get at least 5000 cartloads of paddy straw for sale to the ryots of Kolar District.

It is hoped that this will be moved chiefly by rail as the Railway Authorities assure me that they will be able to place a large number of goods wagons at our disposal for this purpose. This will enable us to move the straw very much more cheaply than by cart ar it is now proposed to store the bulk of the straw at Bangalore or Yesvantpur and at Goribidnur reserving Maddur for any stocks which we may not be able to move to these places in time. Even then it is highly improbable that we shall be able to move and store this straw at a total cost including purchase price of less than Rs.10 per cart load. That means that we shall need Rs.50,000 for this purpose. The supply already promised requires a total of Rs.25,000 out of the 30,000 already sanctioned.

I have the honour therefore, to request that a further sum of Rs.20,000 be sanctioned for the purchase of paddy straw. have further to request that the Comptroller be instructed to place the balance of Rs.20,000 already sanctioned for the purchase of paddy straw at my disposal at once as the total amount of Rs.10,000 placed at my disposal has already been distributed and I have today had to advance Rs.1,000 from my own pocket to finance this work.

I have the honour to be,

Sir,

Your most obedient servant,

Leslie C Coleman

Director of Agriculture.
